If your regular supplier is not listed, please call us to inquire about setting up an account with them.

HOW IT WORKS

- Choose your Partnering Chemical Company or call our office to add yours to our program.
- Sign a **seasonal contract** to cover the chemical bills.
- Purchase the necessary chemicals and fertilizers approved for hazelnut orchards and charge them to our account.
- Chemical costs will be deducted from the final payment for your crop.
- Receive your 2% rebate* in the next calendar year, in addition to any rebate/patronage provided by your supplier.

*Subject to change.
