

EXCLUSIVE BENEFIT TO OUR GROWERS

YEAR-ROUND CHEMICAL & FERTILIZER PROGRAM

George Packing Company (GPC), Northwest Hazelnut Company (NWH), and Hazelnut Growers of Oregon (HGO) will help pay your hazelnut orchard chemical and fertilizer bill all year long. Our experienced management team works with our growers to ensure maximum production from their orchards and maximum profit for their families.

HOW IT WORKS

1 Choose your Partnering Chemical Company.

Helena Agri Enterprises LLC
503-393-2121 | Salem

Marion Ag Service, Inc.

If your regular supplier is not listed, please call us to inquire about setting up an account with them.

Trinity Ag Services
541-729-5865

Valley Ag
www.valleyag.com/locations | All Locations

Wilbur-Ellis Company
541-369-2896 | All Locations

2 Sign a seasonal contract to cover the chemical bills.

3 Purchase the necessary chemicals and fertilizers approved for hazelnut orchards and charge them to our account.

4 Chemical costs will be deducted from the payment for your crop.

5 You can view invoices paid on your behalf and a running balance on our Grower Portal.

Sign up and qualify before your next chemical & fertilizer purchase!
